## LG 15KG INVERTER WASHING

Price ..... USD 465.00

### Description

T2515VSAL7

\$465

LG 15kg Smart Inverter Top Load washing machine

\*Smart Inverter Motor

It is energy saving technology. With better control. It improves the performance of the motor. Makes energy saving and more durable.

\*Smart Motion

The three rotary washers : Agitating, Rotating, Swing, which control the Smart Inverter, increase the efficiency of washing and preserving laundry.

\*Turbo-Drum

Enhances washing and stain removal with powerful whirlpool. Caused by the rotation of the drum and washing dishes.

\*Punch + 3

The Punch + 3 rotary dish creates a vertical water wave that helps spread

the fabric apart, improving washing performance.

**\*Side Waterfall**

Water release points allow the detergent to disperse into the fabric faster and more thoroughly. And it also eliminates detergent residues in the fabric as well.

**\*Auto Pre Wash**

Auto Pre Wash is an easy way to remove stains on fabric. Like adding a wash before washing.

**\*LoDecibel : motor works silent & vibration**

BMC System in addition to protect motor. It also reduces the noise in the work. And reduce vibration while working. Which we guarantee a motor for 10 years.

**\*Smart Diagnosis**

If there is a problem with the use occurs. You can use the application. Or call the LG Service Center. To analyze the problem.

### Description

55" UHD 4K TV NETFLIX 2017

Key Features:

55UJ630T uses IPS 4K panel, so that it delivers rich colors and strong contrast that remain consistent at wider viewing angles.

Active HDR analyzes and optimizes HDR10 and HLG content for an even more striking and breathtaking HDR experience. With LG TV's exclusive processing for HDR10 and HLG, viewers have more HDR content choices.

LG's HDR Effect uses unique image processing that transforms standard dynamic range content to emulate HDR quality by boosting the contrast for an HDR-like viewing experience.

The security manager in webOS3.5, earns prestigious CC international security certification and UL CAP2900-1 certification for its ability to provide superior privacy protection. Then it prevents the installation of unauthorized applications, hacking and leaks of privacy.

**SAMSUNG RT29**

Price ..... USD 370.00

**Description**

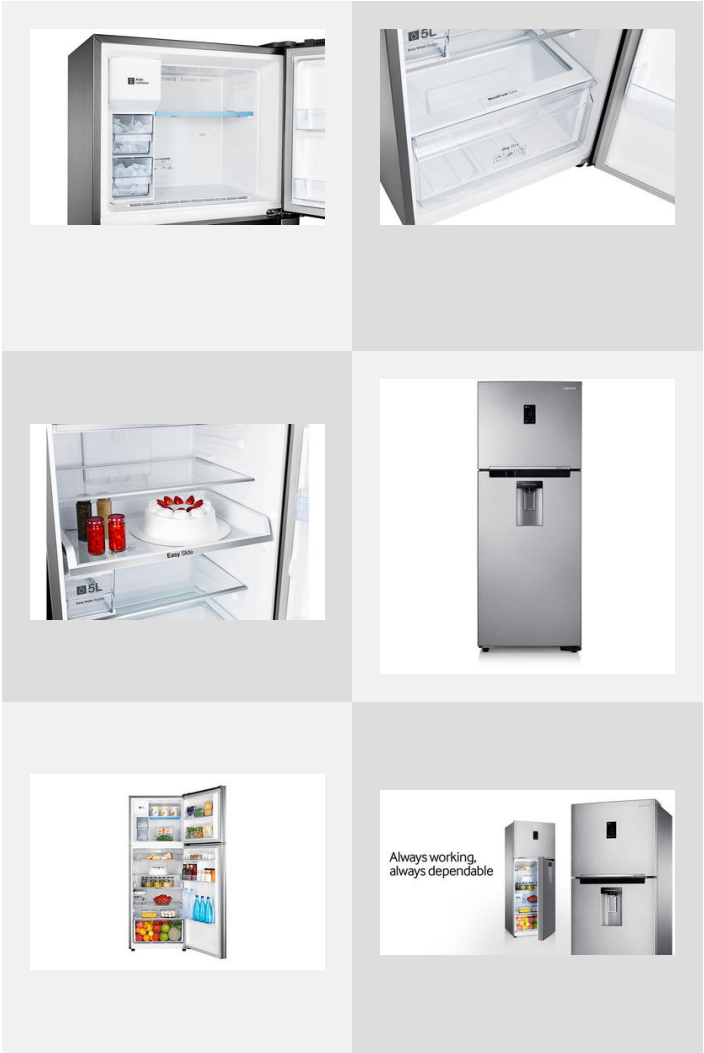

RT29K5011S8/ST  
RT29 TMF with Digital Inverter Technology, 300L  
Digital Inverter Technology  
All around cooling  
Easy slide Shelf  
Power Consumption: ...Kw/year  
10 years official warranty on compressor  
FreshEver Zone (MoistFresh Zone with vegetable box)  
Dimension WxHxD : 600 x 1,635 x 672 mm  
Weight ....Kg

**SAMSUNG RT38**

Price ..... USD 520.00

**Description**

RT38K5981SL  
RT38 TMF with Digital Inverter Technology, 382L  
Digital Inverter Technology  
All around cooling  
Easy slide Shelf  
Power Consumption: ...Kw/year  
10 years official warranty on compressor  
FreshEver Zone (MoistFresh Zone with vegetable box)  
Dimension WxHxD : 67.5 x 178.5 x 66.8 cm  
Weight 66.5Kg

## SAMSUNG RT46

### Description

RT46K6855BS

RT46 TMF with Digital Inverter Technology, 453L

Digital Inverter Technology

All around cooling

Easy slide Shelf

Power Consumption: ...Kw/year

10 years official warranty on compressor

FreshEver Zone (MoistFresh Zone with vegetable box)

Dimension WxHxD : 70.0 x 182.5 x 72.6 cm

Weight ..Kg

## SAMSUNG RF56

### Description
