

The Green Penhouse

Social Hub

CategoryService

Description

Space to create, collaborate and connect

Take time out, or get creative in our jaw-dropping sixth floor social hub. With a generous kitchen, a leafy library full of bean bags and hammocks to relax in, as well as a cinema screen, shared piano and games station, you're sure to find the perfect space. Choose from one of the many balconies for yoga, a game of pool, or to take in the stunning views of the Tonlé Sap and Mekong rivers, and Phnom Penh. For ultimate relaxation, retire to the zen garden or meditation room.

Space for Play

CategoryService

Description

Cinema screen, 360 rooftop, shared piano, library & game station

Three stimulating spaces for adults and children alike to get creative and re-connect. We've created multiple spaces to spend your hours; immersed at our gaming station, playing the shared piano, disappearing into a good book, dancing the night away or kicking back with a movie.

Living Space

CategoryService

Description

A master suite, queen bedroom, queen bunk beds, and compact-yet-cozy rooms

Relax in comfort in our coliving suites. Blending contemporary feng shui practices with Scandinavian and Khmer design, all rooms are designed to make you feel instantly at home with comfortable beds, private desk areas and cozy nooks. All rooms have ensuites, and are equipped with sound isolation and state of the art Daikin air conditioners.
